

# HORNER BROTHERS PRINT GROUP

Our purpose is to make the **complex simple**, to measure the results and to give you **total visibility and control**. In short, **we make your life easier**.

## Our key service lines are:

- On-line ordering platform with a dynamic product catalogue for print-on-demand products, personalisations and stock call-off
- On-line inventory management and management information platform delivering total visibility and control
- Personalised stationery
- Operational and transactional print
- Print-on-demand products
- Warehousing, picking, kitting, packing and distribution

Horners believe that **investing its intelligence** in your best interests is essential. We take time to listen and understand your unique requirements and consequently deliver the **best possible** solution based on our specialist knowledge and expertise.

This means:

- **Reduction of the overall cost of ownership**
- **Removal of process**
- **Risk mitigation**

We specialise in **helping multi-site and complex organisations reduce the unit cost** of every printed item required, simultaneously enabling our clients to **save time, effort and expenditure** in their acquisition.

Horner Brothers are proud to have the following clients;

*'Horner Brothers has been a supplier to BT for twenty two years. During this time they have supplied an unparalleled level of service and have been particularly proactive in helping BT to reduce costs. As a consequence, Horner Brothers has twice been nominated for an award for innovations and responsiveness in the BT supplier excellence awards.'*

Tony Aitken, BT.

## How will you benefit?

- Less exposure to the risk of obsolescence and waste
- A reduction in administration effort and, therefore, cost
- Better information and control
- Rationalisation of item portfolio
- Reduced risks associated with statutory non-compliance or corruption of your brand
